

FRANGIMARE

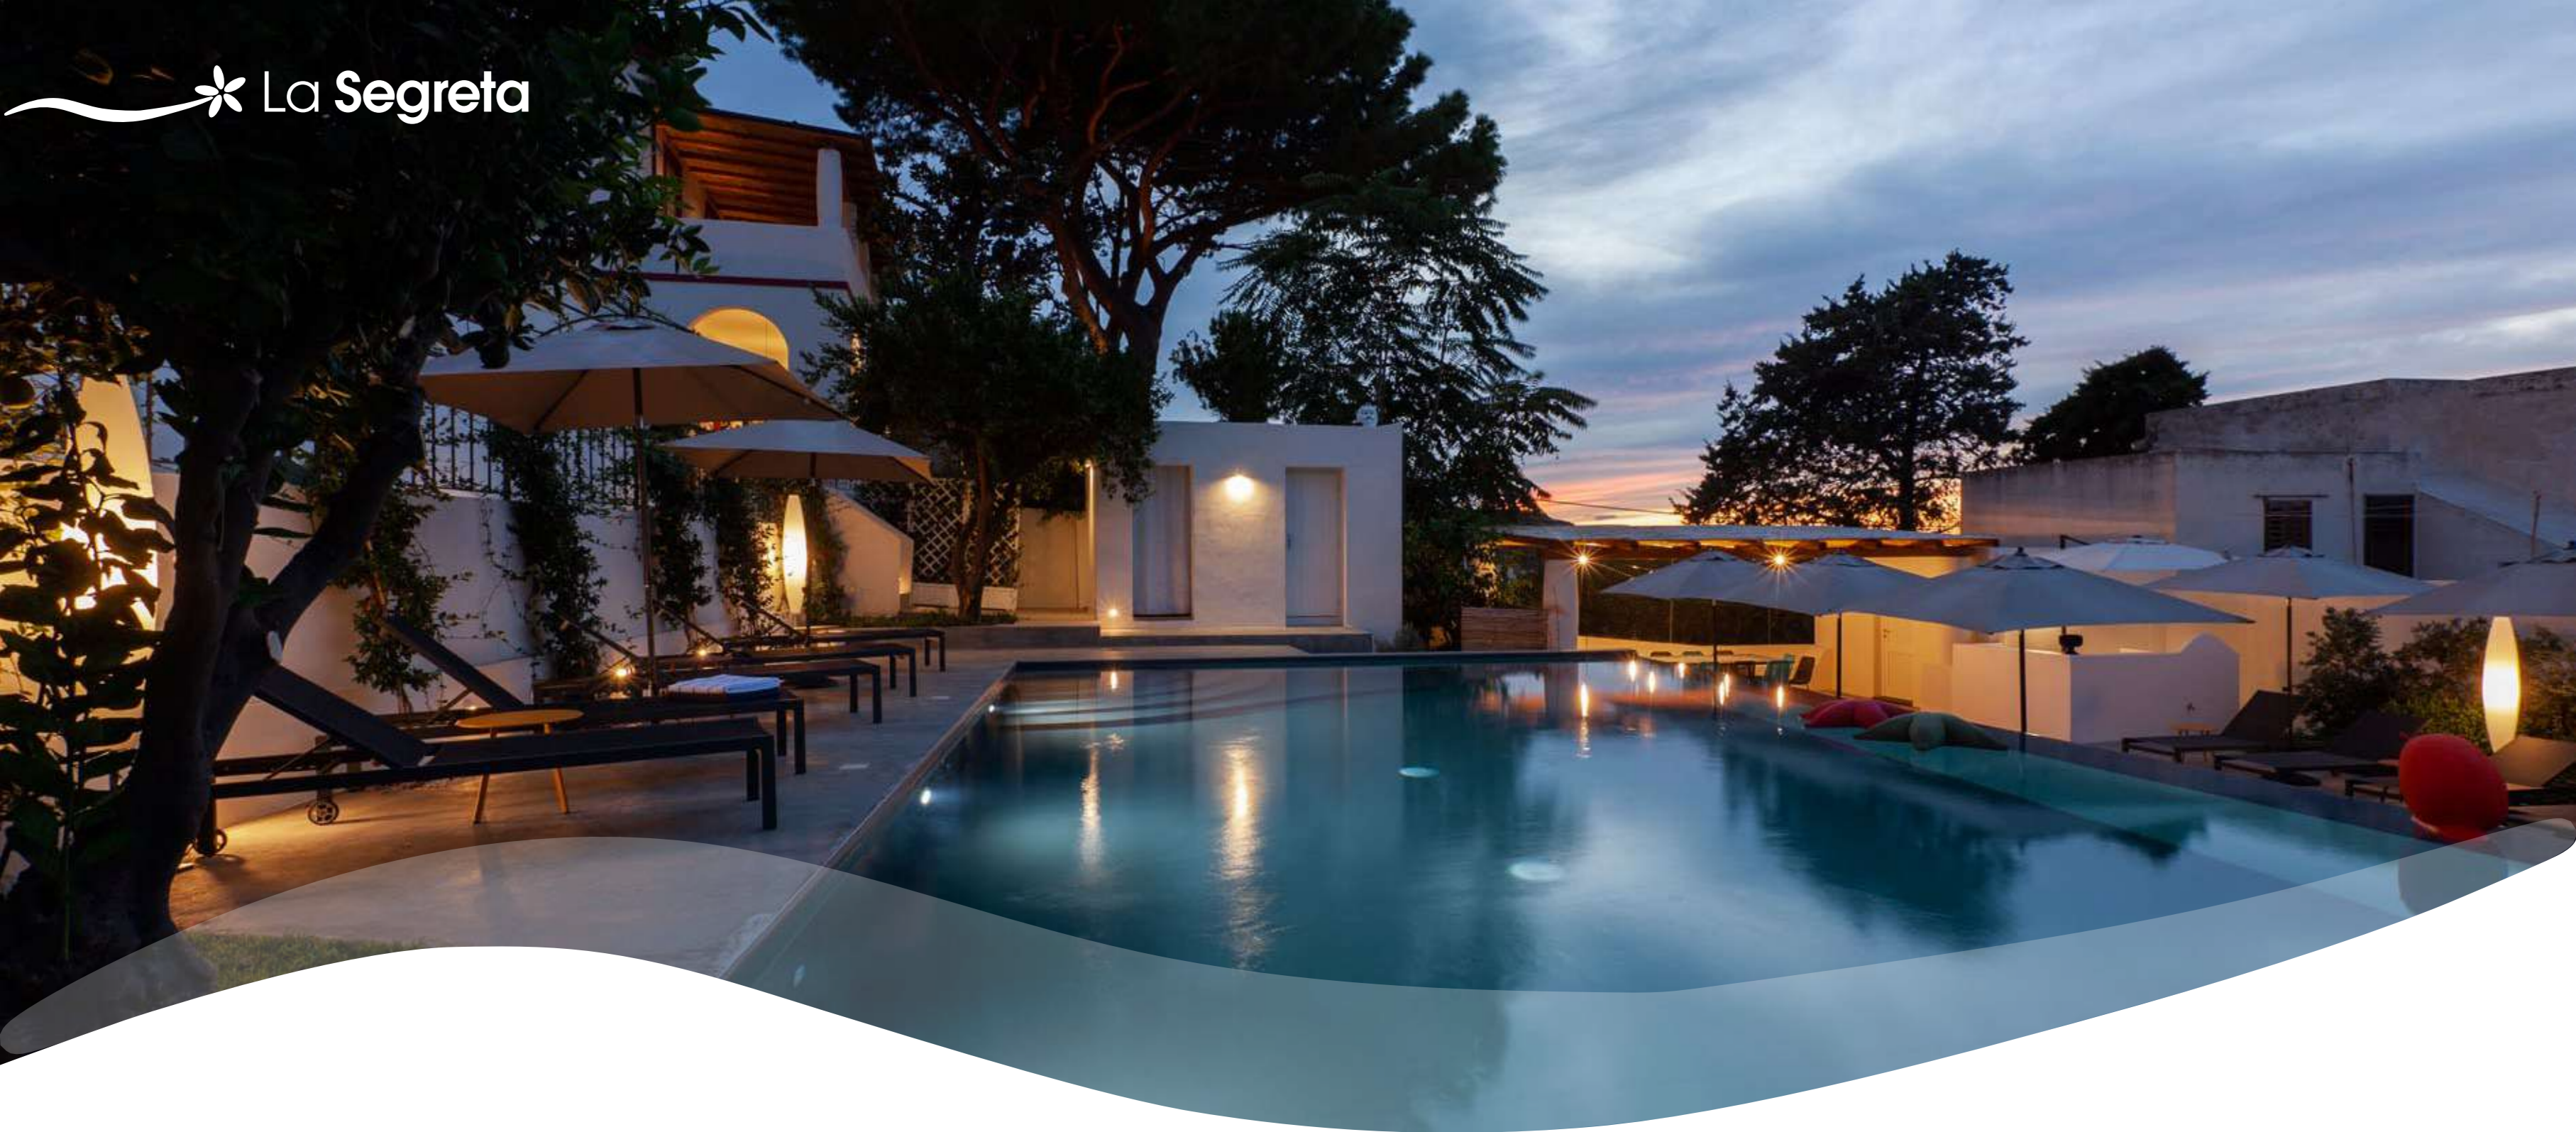

VILLAS AND SUITES IN THE HEART OF THE AEOLIAN ISLANDS

Frangimare is a love story, born from an idea, which slowly came to life and turned into a reality: a collection of eclectic, refined villas, equipped with every comfort, with a strong but soft Aeolian soul. Frangimare is a colorful oasis, a new way of living your time savoring slowness and refinement; a unique and true experience in the heart of the Aeolian Islands.

La Segreta and La Malandrina, two different architectures, two different spirits, but a common goal: to make your trip to the Aeolian Islands special.

From the independent suite to the villa for exclusive use, we have the right solution for you. And since we at Frangimare strive to give you all the comfort you deserve, we provide tailor-made services to make your stay carefree.

Unconventional and unexpected, **La Segreta** creates a perfect blend between tradition, art and modernity. Eclectic, colorful and original, Frangimare has a style hard to forget. Stunning old Sicilian furniture, exotic fabrics, antique chandeliers, vintage abat-jours and hand-painted Sicilian ceramics give new light to each room.

The villa on two levels features **three private suites** (Aria, Acqua and Terra) and a **living area**.

The Aeolian **porch** is the perfect choice for breakfast while enjoying the stunning view over the rooftops and the blue sea.

It leads to the **garden**, where citrus plants and fragrant flowers frame the **infinity pool** and the solarium. The pool area is equipped with a **pergola** for alfresco dining.

The **living area** - with a fully equipped kitchen, a precious cedar dining table, designer furniture and a comfortable sofa - has direct access to the porch and the garden.

 La Segreta

Twenty-three works,
eleven contemporary artists,
one Milan based **art gallery**:
these are the numbers
of Frangimare's artistic soul.
Thanks to the collaboration
with Fabbrica Eos, Frangimare
hosts an original and tailored
collection to convey emotions
and new perspectives.

La Segreta features **three private suites**. Aria and Acqua are on the upper floor, with direct access to the terrace and its superb sea view. Each suite (90 square meters) consists of two double bedrooms, two finely decorated bathrooms with shower, and a living room with a small kitchen.

Aria, with its pink and green shades, amazes with the sophisticated tub in the main bedroom, perfect for enjoying a relaxing bath.

 suite Aria

Acqua offers new perspectives with its hand-crafted desk overlooking the island of Panarea. Both Aria and Acqua have direct access to a **wide terrace**, where you can sunbathe in total privacy, have a coffee sitting at the hand-painted lava stone tables or enjoy a sea-view aperitivo at sunset.

Terra is on the lower floor, with direct access to the Aeolian porch and the garden. Cozy and unusual, it has a personality of its own; its two bedrooms, full of well-balanced contrasts, induce a restoring but creative sleep.

 suite Terra

La Malandrina is a small jewel of Aeolian architecture hidden in the very center of Malfa. Cheerful, with an enchanting sea view, an infinity pool and a luxuriant Mediterranean garden that guarantees all the privacy you need, La Malandrina will fascinate you at first sight, as happened to us when we first saw it. Peacocks in love, refined fabrics, antique chandeliers and unique pieces: a game of combinations that makes each room unique.

La Malandrina features **four bedrooms** with private bathroom and a **living area** with a fully equipped kitchen. All the rooms overlook the **sea view terrace** and have direct access to the **Mediterranean garden**. La Malandrina is a cozy and cheerful villa, perfect for those who want to relax in an original and refined atmosphere.

 La Malandrina

The **outside** of La Malandrina is a real gem. A reading under the old magnolia, a sunbath with your favorite music in your ears, a swim in the infinity pool, an aperitivo at dusk; every corner reserves something special.

 La Malandrina

From the Aeolian terrace overlooking the sea to the sparkling garden full of flowers and citrus plants, everything is designed to enjoy life in the open air.

 **La Malandrina**

The welcoming **dining room** plays on the contrast between the black and white checkered floor and the wood of the built-in kitchen. On the wall, a portrait of Picasso overlooks the living area.

La Malandrina interiors reflect its name: the ceramics of Santo Stefano di Camastra, a real hymn to the Sicilian spirit, blend harmoniously with the eccentricity of the furniture. **Four bedrooms**, four Muses: **Talía**, joyful and alluring, with its quirky fabrics; **Clio**, “the one to make famous”, with its peacocks and the golden wallpaper; **Urania**, which recalls the geometry and beauty of the sky; **Calliope**, with the poetry of its antique headboards.

 the charm of **Salina**

Salina is a kaleidoscope of colors, scents and flavors.

Words cannot describe the beauty of this island, suspended between sea and mountains, slow sunrises and breathtaking sunsets. Famous for capers and Malvasia wine, Salina is the perfect choice for both trekking enthusiasts and sea lovers.
